Ever-Thane® Base

Aromatic, single-component, high solids, moisture cured, fire-retardant polyurea-urethane base coat

Can | Pail | Drum

Ever-Thane® Water-Lok Base Coat

Aromatic, single-component, high solids, moisture cured, polyurea-urethane base coat

Can | Pail | Drum

Ever-Thane® Aluminum

Aromatic, single-component, high solids, moisture cured, polyurea-urethane top coat

Pail | Drum

Ever-Thane® Bright White

Aliphatic, single-component, high solids, moisture cured, polyurea-urethane top coat

Can | Pail | Drum

Ever-Thane® Overglaze Top Coat

Colored Aliphatic, single-component, high solids, moisture cured, polyurea-urethane top coat

Can | Pail | Drum

Ever-Thane® Accelerator

Used as an option to accelerate the curing time for Ever-Thane® Base and Ever-Thane® Bright White only

Quart Only

Ever-Thane® Roof Flash - White Color

Aromatic, single-component, high solids, moisture cured, butter grade polyurea-urethane mastic

2 Gal Pail | Pail

Ever-Thane® Roof Flash - Aluminum Color

Aromatic, single-component, high solids, moisture cured, butter grade polyurea-urethane mastic

2 Gal Pail | Pail

Ever-Thane® Pure Polyurea Aromatic & Aliphatic

Two component, high pressure pure polyurea

10 Gal Kit | 100 Gal Kit

URETHANES

EQUIPMENT

Ever-Silic® HS (High Solids)

High Solids, single component,
moisture cured silicone
Pail | Drum

Ever-Silic® LS (Low Solids)

Low solids, single component,
moisture cured silicone
Pail | Drum

Ever-Silic® Roof Flash (Mastic)

High solids, single-component,
moisture cured butter grade sili-
cone mastic
3.5 Gal Pail Only

Ever-Silic® Accelerator

Used as an option to accelerate the
curing time for Ever-Silic® HS only
1/2 Pint Only

SILICONES

Everroof Primer M80 (Ratio 1:1)

Urethane primer used for metal and concrete substrates
2 Gal Kit | 10 Gal Kit

Everroof Primer M100 (Ratio 4:1)

Rust inhibitor for metal substrates
Bleed blocker for asphaltic type roofs
1 Gal Kit | 5 Gal Kit

Everroof Primer SP10

Single-component, black acrylic primer used with acrylic projects
Pail | Drum

Everroof Primer SP16

Single-component, clear acrylic primer used with acrylic projects
Pail | Drum

Everroof Primer U11 (Ratio 1:1)

Primer used for TPO and PVC substrates, also used for structural coating strength and recoats
2 Gal Kit | 10 Gal Kit

Everroof Primer EPDM

Rinseable wash primer for EPDM and Hypalon substrates
Can | Pail | Drum

Everroof Adhesive/Primer

Single Component adhesive/primer used for adhering fabric reinforcement
Can | Pail | Drum

Everroof Webseal

Butyl tape with fiber reinforcement backing designed specifically for coating applications
4" x 50' Roll

Everroof Mini Fibers

Mini fibers used to enhance the strength in coatings or broadcast in top coat for walkways

Everroof Lemon Extract

Pleasant smelling additive for all Ever-Thane® products
1/2 Pint

Everroof Black Carbon Filter

Black Carbon Filter used over A/C intakes to minimize the entry of odors
24" x 50' Roll

Ever-Fabric Polyester Reinforcement Fabric

3 oz., Firm or Soft

4" x 324' (108 Yards), 3 per Box

6" x 324' (108 Yards), 2 per Box

12" x 324' (108 Yards), 1 per Box

18" x 324' (108 Yards), 1 per Box

40" x 324' (108 Yards), 1 per Box

84" x 324' (108 Yards), 1 per Bag

PRIMERS

ACCESSORIES

Ever-Crylic® Top Coat

Maintenance acrylic top coat used in conjunction with Ever-Crylic Base Coat

Pail | Drum | Tote

Ever-Crylic® QS (Quick Set)

Acrylic designed with a fast drying time

Pail | Drum

Ever-Crylic® Base Coat

Maintenance acrylic base coat used in conjunction with Ever-Crylic Top Coat

Pail | Drum | Tote

Ever-Crylic® HT (High Tensile)

Acrylic designed with high tensile strength

Pail | Drum

Ever-Crylic® SPF Top Coat

Acrylic topcoat specifically designed for Spray Polyurethane Foam (SPF)

Pail | Drum | Tote

Ever-Crylic® HG (High Gloss)

Acrylic designed to give a high gloss finish

Pail | Drum

Ever-Crylic® SPF Base Coat

Acrylic basecoat specifically designed for Spray Polyurethane Foam (SPF)

Pail | Drum | Tote

Ever-Crylic® Roof Flash (Mastic)

High solid, single-component, butter grade acrylic mastic

4 Gal Pail Only
